1. The subjects indicated above are currently under contract to SR/DOB. Both are being made available to Covert Training for the purpose of playing agent roles in practical exercises in connection with covert training of Clandestine Services staff and contract agent personnel. In such exercises they will meet staff and contract agent personnel face to face under alias. No true identities will be revealed.

2. Since they have been used similarly by SR/DOB in the training of SR agent personnel, we assume no objection exists to their so being used by Covert Training in projects other than those originating with SR. Please advise if this is incorrect.
